

# Security+ 5 Day Bootcamp

## Overview

**Delivery Mode:** Virtual via Zoom

We are pleased to submit this proposal for the delivery of a 5-day **CompTIA Security+ (SY0-701)** Bootcamp. This intensive course is designed to prepare participants for the **Security+** examination from **CompTIA** while strengthening their practical and theoretical understanding of **cybersecurity across five key domains**.

## Why Zayn Otley?

- A uniquely qualified instructor with decades of field and academic experience
- Targeted delivery that understands the nuances of international and governmental environments
- Strong post-training support that continues through to each participant's examination date
- Trusted methodologies and best-in-class materials designed around CompTIA certification standards

## Course Objectives

This Security+ Bootcamp will enable participants to:

- Understand and apply the five domains of the **CompTIA Security+ (SY0-701)** exam
- Confidently prepare for the Security+ certification using structured study methods and targeted practice
- Strengthen their ability to detect, prevent and respond to common cyber threats
- Demonstrate baseline knowledge for roles in cybersecurity, risk management, and security operations

## Target Audience

This course is suitable for individuals entering the cybersecurity field or those seeking to validate foundational security knowledge. It is especially valuable for early-career professionals in IT, system administration, network security, or roles requiring compliance with **DoD 8140/8570**.

## Course Delivery Format

**Format:** Live virtual instruction via Zoom

**Duration:** 5 full days (typically 09:30 – 16:30 CET)

**Style:** Interactive sessions with extensive instructor-led discussion, real-world scenarios and workshops, daily domain quizzes and guided revision techniques

## Course Content

The course covers all five domains of the Security+ SY0-701 exam:

- 1. General Security Concepts
- 2. Threats, Vulnerabilities, and Mitigations
- 3. Security Architecture
- 4. Security Operations
- 5. Security Program Management and Oversight

The final day includes a comprehensive review session, exam strategy guidance, and a timed practice exam.

## Materials Provided

Each participant will receive:

- Official Sybex Security+ (SY0-701) Study Guide
- Access to Sybex's Online Learning Environment, including:
- Access to online practice exams with 600+ questions
- Electronic flashcards and key term glossaries
- A searchable PDF glossary of key terms
- Instructor-curated study materials
- Thousands of test bank questions
- Practice labs and real-world scenario walkthroughs
- Extra learning resources and revision tools

## Trainer Profile

Zayn Otley is a distinguished cybersecurity instructor and certified information security professional with more than three decades of global experience across the defence, corporate, and government sectors. With a unique background spanning hands-on software engineering, cloud security architecture, and executive leadership (CISO/CTO roles), technical excellence is combined with real-world insight in every course delivered.

Possessing multiple advanced certifications including **CISSP, CCISO, CCSP, CEH**, is an **EC-Council Certified Instructor (CEI)** and holds a Post Compulsory Teaching Degree (Cert Ed) from The University of Central Lancashire. His 21 year teaching career includes training over 15,000 IT and security professionals worldwide – including personnel from NATO, the US Army in Europe, the UK Ministry of Defence and major global corporations across North America, SE-Asia, Europe and the Middle East.

A native speaker of British English and conversant in multiple European languages, enabling him to engage effectively across diverse, international audiences. Zayn's instructional approach is learner-centred, grounded in deep industry knowledge, and focused on equipping participants with practical skills and exam-ready confidence. His commitment to excellence and mission-aligned delivery makes him uniquely suited to supporting the educational goals of individuals and organisations.

## Support

Participants receive:

- Email support directly from the instructor up until the day of their scheduled Security+ exam
- Guidance on exam booking, study pacing and overcoming specific topic challenges

## Pricing

<u>Item</u>	<u>Cost (USD)</u>
5-Day Bootcamp (per person)	\$2795
SY0-701 Exam Voucher (optional)	\$425
Exam Retake Assurance (optional)	\$49

All prices are quoted in US dollars. Group bookings or further support arrangements can be discussed upon request.

## Scheduling Options

Please contact our scheduling team by booking a consultation call on our website:

- <https://zaynotley.com>

Final scheduling will be confirmed in coordination with your team's availability and operational requirements.

## Next Steps

We would be pleased to discuss any adjustments to meet your specific needs. To proceed or request further information, please contact via:
